CHURCH CENTER APP

We try to stay up to date with the latest technology so you can link up to church life straight from your phone. It just got a little bit easier to do that with the **"Church Center App"** from Planning Center. Hop on your phone right now, search for **"Church Center"** on the **app store**, download it, and find **City Church**. You'll be able to register for events, sign up for Small Groups, give, check in your kids (eventually), and lots more over time.
