Digging deeper.

1. On Sunday, Pastor Kyle gave a message titled "It's About HIM." One of the things we saw was that Creation, history, the Bible, and even our own stories are about Jesus. Yet in the midst of trying times, we are so prone to make our struggles about ourselves and forget about God's purpose in it altogether. A great example of someone who went through this in the Bible was Job. His friends had been telling him all kinds of reasons why he must have done something wrong to cause all this calamity to fall on himself. Job 12 is the beginning of his response to his friends. Read Job 12 and answer the following questions.
 - a. What does this passage tell us about the right way to handle hardships?
 - b. How might we better encourage our struggling friends in light of this passage?
