2. We are encouraged when we remember and hear stories of how God has done amazing things in the lives of people. Read Psalm 66:1-6 and answer the following questions:
 - a. How can we, like the Israelites, continually remember the good things God has done in our lives?
 - b. Psalm 66:5 says, "Come and see what God has done: he is awesome in his deeds..." Have 2 or 3 members share a time when God did an "awesome deed" in their life (It can be as simple as an answered prayer or a mighty miracle).
3. Every time Andrew was mentioned in the the Gospel of John, he was connecting people to Jesus (John 1:40-41, 6:8-9, 12:20-22). The great evangelist, Billy Graham, championed a strategy called "Operation Andrew" where he would encourage believers to write down the names of people to whom they could carry out the "Come and See" method of evangelism. Take a moment and have each member come up with at least one person in their life that they can intentionally invest, influence, and ultimately invite to church. Have another member of the group pray for that person after everyone has shared.

Personal reflection and application.

1. Go around the group and have everyone share one thing that stood out to them from the discussion.
2. Break up into smaller groups and pray for one another (preferably men with men and women with women).
