

### Digging deeper (Continued).

2. Another aspect of physical healing that we talked about this past weekend was the fact that healing often begins on the inside before it manifests on the outside. What do the following verses tell us God has already done for us in terms of healing?
  - a. Psalm 107:20.
  - b. Psalm 147:3.
  - c. Isaiah 53:1-12.
  - d. 1<sup>st</sup> Peter 2:24.
  - e. Revelation 21:4.
3. Everything we see in Scripture communicates that God is actively interested in our needs and that includes physical healing. Based upon the following verses, what types of things should we do and what types of prayers should we pray when we are sick?
  - a. Isaiah 40:29, 41:10.
  - b. Psalm 34:15-22
  - c. Proverbs 17:22.
  - d. Matthew 6:7-15.
  - e. Matthew 11:28-30.
  - f. 3rd John verse 2.
  - g. Philippians 4:19.
  - h. James 5:14-15.

### Personal reflection and application.

1. Have everyone go around the circle and share one thing from tonight's discussion that stood out to them.
2. Break up into smaller groups and pray for one another (preferably men with men and women with women). Also, if there is a special need/prayer request within the group for physical healing, take time to lay hands on that person and pray for healing.

## SMALL GROUP QUESTIONS

### What do you think?

1. From this past weekend's message, what particular point challenged you, raised a question, or got you to think?
2. Take a few minutes to talk about what your group would like to do for your "Micah 6:8 Service Project" (***week of May 12th***). If this doesn't ring a bell, your Small Group leader can explain.

### The story of your life.

1. Have you ever experienced (or witnessed) a physical healing? Tell the story.
2. In situations where God does not remove the physical suffering, believers must learn to trust God in the pain. Have a few group members share stories of trusting God despite ongoing physical pain in their bodies as well as any strategies they use to keep their minds in the right place.

### Digging deeper.

1. In his message, Pastor Kyle mentioned that "Inactivity kills." This truth is attested both in the Bible as well as in life as a whole. Let's take a closer look at what the Bible has to say about physical inactivity and idle hands (as it relates to the topic of physical healing but also more broadly). What do the following verses communicate about the pitfalls of inactivity? Also, what related strategies might we employ to stay active (spiritually and physically)?
