

2. One of the things Pastor Kyle talked about in this past week's message was that the quality of communication in any relationship is directly related to the quality and depth of the relationship itself. The same is true in our relationship with God. Nehemiah was a man whose relationship with God had quality and depth, which can be seen in his prayer life. Read Nehemiah 1:5-11 and jot down anything that gives you insight into Nehemiah's relationship and communication with God, and how it might impact or help you grow in your own prayer life.
3. The Bible is full of amazing prayers that saints throughout history have sought to emulate (or even memorize). Read the following prayers together as a group out loud and jot down a quick summary of each prayer.
  - a. 1<sup>st</sup> Kings 3:5-15.
  - b. 1<sup>st</sup> Chronicles 4:10.
  - c. Colossians 4:2-6.
  - d. How might God grow and change you if you prayed each of these prayers regularly?

**Personal reflection and application.**

1. Have each member go around the circle and share one comment that someone else spoke which stood out to them.
2. Break up into smaller groups and prayer for one another for prayer (preferably men with men and women with women).
