

2. We are truly living through a storm of unprecedented proportions in all of our lives with no clear end in sight. In the midst of it, we are promised protection from God as believers. How do the following verses depict God's protection over us and how might that be an encouragement to us in this current storm? Read them one at a time and discuss.

a. Psalm 84.

b. Psalm 91:1-4.

c. Psalm 119:114.

3. A lot of us are talking about what we will do "when things go back to normal." Consider the fact that there might be some things that shouldn't go back to normal. Read the following verses together and share if you sense the Lord asking you to leave some old patterns behind.

Personal reflection and application.

1. Have everyone share one thing someone else said that stood out to them from this discussion.
2. Take prayer requests. Try to take no more than 60 seconds per person to share since we will do it all together.
